Acknowledgment of country

“I respectfully acknowledge the past and present traditional custodians of this land on which we are meeting, the Whadjuk Noongar people. It is a privilege to be standing on Noongar country. I also acknowledge the contributions of Aboriginal Australians and non-Aboriginal Australians to the education of all children and people in this country we all live in and share together – Australia.”

Aims for this evening

Parents have a strong understanding of:

- Process for counselling into pathways and courses
- WACE achievement
- Pathways at Churchlands SHS and post schooling options
- Course selection process

MEET WACE REQUIREMENTS

WACE REQUIREMENTS

Breadth and Depth

Choose at least 1 course from List A and List B courses in Year 12

Literacy and Numeracy Requirements

Meet the Literacy and Numeracy standards through NAPLAN or OLNA as well as complete four units of English, two in Year 12.

Achievement Standard

Achieve a minimum of 14 C grades in Year 11 and 12 (or equivalents) including at least 6 C Grades in Year 12 Units (or equivalents).

Course / Endorsed Program Completion

Complete a minimum of 20 units (or equivalents) including a minimum of 10 Year 12 units (or equivalents). This includes sitting the Examinations invigilated by SCSA for all ATAR Courses.

MEET WACE REQUIREMENTS

OLNA

- There 2 opportunities each year with programs in place to support students to meet the requirements

Achievement Standard

- Students should aim to achieve a minimum of 8 'C' Grades at the completion of Year 11, if they do not, achievement of WACE is at risk
- A grade is awarded for each semester of a course. It's important to note that all courses in Senior School are year-long, the grade awarded at the end of the semester is the grade given to **both** semesters.
- Successful completion of a Certificate II is equivalent to two C grades in Year 11 and two C grades in Year 12 (even if it's a one year Certificate)
- A Certificate III and IV is equivalent to two C grades in Year 11 and 4 C grades in Year 12
- Work place learning is an endorsed program. For every 55 hours of work place learning (with completed documentation) a C grade equivalent is awarded
- No more than 4 C grade equivalents can be award in each year (Certificates, work place learning, other endorsed programs)

Student A

Course	Sem 1	Sem 2	Total C grades (or better)
ATAR English	B	B	2
ATAR Chemistry	C	D	0
ATAR Physics	C	C	2
ATAR Methods	D	D	0
ATAR Specialist	C	C	2
ATAR French	C	D	0
		Total Yr 11	6

Student A

- At risk of not achieving WACE.
- Must pass at least 4 courses in Year 12

Student B

Course	Sem 1	Sem 2	Total C grades (or better)
ATAR English	A	A	2
General Human Biology	B	C	2
General Modern History	C	B	2
ATAR Applications	B	B	2
Certificate II Engineering	Progressing well	Progressing well	
Work Place Learning	55 hours	55 hours	2
		Total Yr 11	10

Student B

- On track to achieve WACE
- Completed the minimum 55 hours, skills journal and logbook for each work placement, therefore achieved 2 C grade equivalents.
- If the Certificate is completed in Year 12, they will accrue an additional 2 C grades equivalents in Year 11

ATAR(Direct) Pathway

- The pathway for students who wish to enter University directly after Year 12 through the calculation of an ATAR.
- Historically around 60% of Churchlands SHS students complete an ATAR pathway.
- WACE examination are compulsory – if you do not sit the external exam the course is removed from your statement of results. This can impact the achievement of WACE
- Meet any course prerequisites

ATAR(Direct) Pathway

- Must meet English competence
 - English competency requirements vary greatly between universities
 - **UWA** Final scaled score of 50 or more in ATAR English/Literature/ESL
 - **Curtin** Final scaled score of 50 or more in ATAR English/Literature/ESL
 - **or**
General English Grade A
 - **ECU** Grade C in ATAR English/Literature/ESL
 - **or**
General English Grade A
 - **Murdoch** achievement of WACE
 - **Notre Dame** achievement of WACE
- Involves the calculation of an ATAR; this uses the final result from the top four courses in Year 12 after statistical moderation processes. Students need to meet the minimum ATAR for their desired university course.

CALCULATING AN ATAR

TISC Website: www.tisc.edu.au

This utility calculates the Australian Tertiary Admission Rank (ATAR), formerly known as the Tertiary Entrance Rank (TER), for a given WA Tertiary Entrance Aggregate (TEA) or Tertiary Entrance Score (TES).

1992 - 2007 TES	maximum 510
2008 - 2012 TEA	maximum 400
2013 - 2016 TEA	maximum 410
2017 onward TEA	maximum 430

This calculator should **not be used to predict future ATARs**.

Enter a TEA (or TES) and select a Year 12 completion year

Guaranteed ATAR and ATAR minimums

TISC publishes expected, guaranteed and minimum ATAR requirements for courses at each university.

The screenshot displays the TISC website interface. At the top left is the TISC logo. To the right are navigation menus for UNDERGRADUATE, INTERNATIONAL, STAT, and RESOURCES. A prominent pink banner reads "Australian Tertiary Admission Rank". Below this banner, on the left, is a list of four items with downward arrows: "The Australian Tertiary Admission Rank (ATAR)", "Tertiary Entrance Aggregate (TEA)", "Finding out your ATAR", and "2021 TEA/ATAR summary table". On the right side, there are two sections: "QUICK LINKS" and "RELATED ITEMS". The "QUICK LINKS" section contains three links: "ATAR Calculator", "ATAR frequency tables", and "ATARs and Ranks". The "RELATED ITEMS" section contains three links: "Help Videos", "Admissions Transparency", and "University Access Pathways".

Early Offers

- Currently Universities in Western Australia have an 'Early Offer' process. They access Year 11 end of year results through TISC and generate a predicted ATAR.
- Different Universities have different conditions for the Early Offer process it's important to research each University.
- This is becoming an increasingly popular process for students. It can alleviate some of the stress, particularly moving into the WACE exams. Highlights the importance of making good course choices in Year 11. Choosing courses that are too challenging can result in a low predicted ATAR and reduce the chance of receiving an early offer.
- Nearly all early offers have conditions in place.

Why do Universities use an ATAR

Figure 1: Completion rates (any year) for commencing domestic bachelor students over a nine-year period¹

University Entrance – Blended Pathway

Portfolio pathway

- Curtin, Edith Cowan and Murdoch have a portfolio option that provides a pathway into a range of undergraduate degrees. The requirements vary for each university but students do not require an ATAR. UWA offers an Experienced Based Entry pathway that is similar

University enabling programs

- Curtin, Edith Cowan, Murdoch and Notre Dame offer enabling programs. These are available for students that successfully complete Year 12 (achieve their WACE). They provide entry into a range of undergraduate degrees. Most enabling programs are free.

Completion of a Certificate IV

- All Universities provide a pathway into some courses with the completion of a Certificate IV. Different universities have different requirements, it's important to check with each university.
- Training providers offer a range of Certificate IV courses with the most common pathway involving students completing the relevant Certificate III.
- Certificate IV in Business is a 2 year Certificate course and is an option in Senior School.

Curtin University enabling program - UniReady

- This is an option in Year 12 at Churchlands SHS.
- It is aimed at students that have a predicted ATAR below 70 or students that have demonstrated success in at least one ATAR course
- If students successfully complete the program, they receive entry into a range of courses at Curtin University.
- Other Universities may accept students that have successfully completed the UniReady program.
- It replaces two courses in Year 12 and is run within the timetable by Churchlands staff on school site.
- There is an application process that looks at students' achievement and attendance as part of the entry requirements.
- The application process will open early next term once ATAR students have received their predicted ATAR

ENDORSED PROGRAMS

Workplace Learning

Students participate in 2 Industry Placements during the Exam Period. Successful completion provides 'C grade' equivalents towards WACE.

Duke of Edinburgh

Run through our Community Service Program. Students achieve this award through learning a new skill, improving well being, volunteering in the community and experience an adventure in a new environment

- Bronze
- Silver
- Gold

Successful completion provides 'C grade' equivalents towards WACE

University Scholarships

There are a vast array of scholarship available and every year we have many students that are successful in receiving a number of different scholarships. Community Service is often a requirement and is looked upon very favourably for scholarship applications.

DECISION MAKING

End of Term 2 Semester 1 report available

Students can use their results and determine which courses they meet the prerequisites for.

Wednesday 26 June Subject Selection Online opens

SSO opens for selection of Year 12 courses. Parents and students use SSO to complete their course selections. Most families will be able to do this online, but individual counselling sessions will also be available during week two of term 3.

Monday 22 July to Wednesday 24 July Course Counselling

Anyone can book a course counselling session. This is done through SSO Online. Any student that has not met the prerequisites for at least three of their five ATAR courses ***will be required to have a course counselling interview.***

Friday 2 August 4pm Subject Selection Online closes

SUPPORTING YOUR CHILDREN

- The subject selection process is both an exciting and challenging part of your child's education journey.
- It allows them to reflect on how the subjects they study at school may influence their future.
- Please support your child to choose suitable subjects, they are more likely to achieve good results in their final years of school.

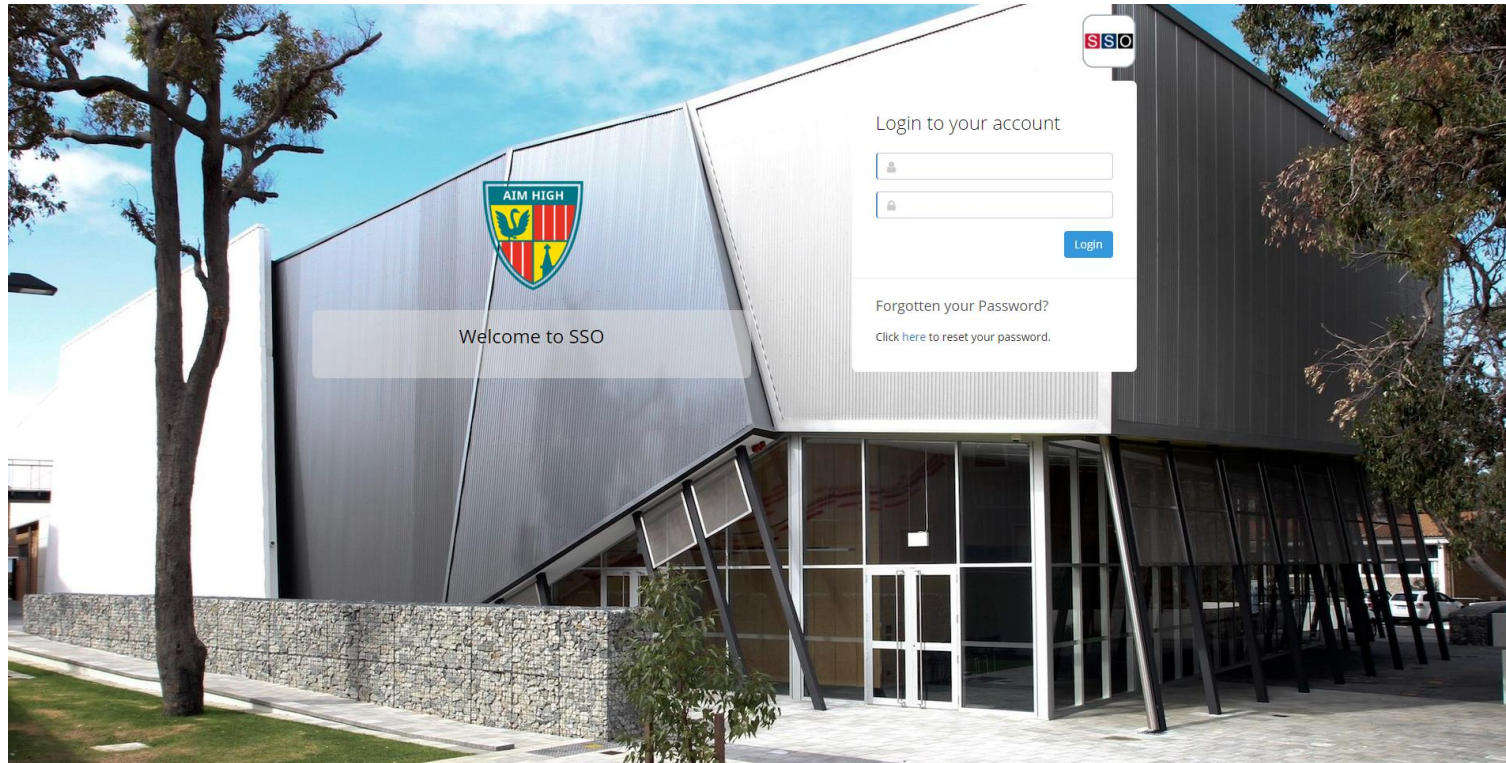

In the final years of school, your child should choose subjects that:

- enable them to work to their strengths
- challenge them to make the most of their capabilities
- are enjoyable while they study
- offer a range of study that is manageable.
- provide life skills
- are their choice and not the choice of others!

Selecting courses - Subject Selections online

- SSO will be open on Wednesday 26 June
- Instructions and a step by step guide will be sent home at the end of term

PREPARATION FOR 2025

Based on Student Selections:

- A timetable is created
 - *Most students will get the subjects they have selected.*
 - *If there is a clash, or a subject doesn't run, then a reserve will be used*
- The timetable is staffed

CAN STUDENTS CHANGE

- Yes.....
 - *Within the constraints of the Timetable*
 - *We will still check students have met the Prerequisite*
- Encourage your children to do their research
 - *Speak to their teachers*
 - *The 2024 Course Outlines are on the Student OneDrive*
- Students cannot change after Term 1, this is a Curriculum Authority deadline.

Key Messages

- Achievement of WACE is the number one priority, select courses in Year 12 that place you on a pathway to success
- Current achievement and level of application is a strong indicator of success in the ATAR pathway
- For students entering university directly after Year 12, your ATAR is a good predictor of degree completion and therefore success
- There is a range of rich skills, knowledge and capabilities obtained through various means after Year 12 that can increase success in university studies
- There are many pathways into university and alternative pathways are becoming increasingly common
- Enjoy the conversation with your young person

GOOD LUCK
