## Welcome back to all students and staff

The school year has commenced smoothly with 2275 students finding their classes and meeting their new teachers. A special welcome to the Year 7 cohort and new students attending Churchlands for the first time this year.

In addition to academic rigour, Term 1 will host swimming carnivals, leadership and Music camps, Year 7 Day Camp, P&C Family BBQ, Whole School Assembly, Photo Days, the Year 12 School Ball and much more. Don't forget to view our calendar on the school website under News and Events, this is updated regularly.

## Homework Club

Homework Club will be held every Monday in the library between 3-4pm. The first day will be Monday 17 February (Week 3). Students in Years 7-10 are required to sign in and stay for the hour. Year 11 and 12 students can come and go as required. Teachers will assist students with homework.

## P&C AGM

The P&C AGM is being held on Monday 24 February at 7:30pm in the Choral Studio. We warmly invite you to attend the upcoming Parents and Citizens AGM. There are several vacant positions available for nomination, particularly the President and Vice President,

providing a fantastic opportunity to support our students and community. Don't worry, there's lots

of support from outgoing members to help you get started! Your involvement can make a meaningful difference.

The P&C organises events during the school year including the Year 7 Welcome BBQ, Community Art Exhibition, Quiz Night and Sundowner. Being a P&C member is a great way to support Churchlands, meet new people and support projects that enhance the school experience for your student.

## Whole School Assembly

The first assembly for 2024 is being held on Friday 21 February at 10.20am. Parent invitations have been sent out. If you haven't received one, please check your junk email folder. This assembly will acknowledge academic excellence from Semester 2, 2024 and introduce the Student Councillors for 2025. Students receiving certificates have been notified. You will be addressed by Mr Jamie Long, Associate Principal of Senior Secondary, and the new School Captains. Morning tea will be provided at 9.50am in the Concert Hall foyer, all parents are welcome to attend.

## School Production

A huge congratulations to the cast of Alice in Wonderland on a fantastic start to rehearsals! The energy, dedication, and talent on display shows us that this production is going to be absolutely incredible. Keep your eye out for more updates as we get closer to the show in early Term 2 - this is one performance you won't want to miss!

## Host Family Needed!!!

Dear Churchlands families,

We have an early and special request from our Akashi Nishi sister school as we prepare for their visit in August. One of their male students, who uses a wheelchair, is eager to participate in the exchange program. He is highly independent and requires minimal assistance — just a flat room without stairs and a bathroom with a handrail.

If your family has a suitable home and can host this student from August 2-11, we would love to hear from you. Please contact me for more information.

## Formative Assessment - A Key to Student Growth -

Formative assessment is an ongoing process that helps teachers and students understand learning progress in real time. It provides students with feedback that allows them to make improvements and refine their understanding as they learn. It involves gathering evidence of student understanding to inform teaching and provide meaningful feedback.

- Small shifts make a big impact – checking for understanding during lessons allows us to adjust teaching in real-time.
- Feedback that's actionable – the most effective feedback guides students on what to do next, not just what went wrong.
- Student ownership – when students engage with feedback, they become active participants in their learning.

Each fortnight, I will be sharing insights into what formative assessment looks like in our classrooms. More detailed information will also be available through school newsletters and presented at parent information sessions.

## Congratulations

Congratulations to Churchlands SHS. You have now been changing children's lives through World Vision for over 38 years.

## Students Need School Libraries

Is your child's school library all that it can and should be?

### Library News

The Library staff welcome all students, parents and staff back to another exciting year.

We are so lucky here at Churchlands to have such a well-resourced and staffed library for all our students to access both print and online resources selected for them. During break times we have quiet spaces and then our activities.

We have a Teacher Librarian who works with a team of two Library Officers. There is also a wonderful collection of books set in a friendly and inviting space designed for students. These facilities are sourced through a mix of school funds and parent voluntary contributions.

Our Reading Program for Year 7 students starts Week 3.

Year 7 students visit the library space with their English class, and we spend time reading as well as taking part in some great activities designed and presented by our Teacher Librarian.

This term will see us taking part in a Scavenger Hunt to introduce them to the space and collection, we will all sign up for the Premiers Reading Challenge and of course we will take part in the West Australian Young Readers Book Awards competition. Keep your eyes on the Bytes for more news as we go on this amazing journey together.

Click on the links to explore what is on offer.

<https://cshs.softlinkhosting.com.au/oliver/home/news>

Our Library is a community hub for our students.

The Library hours are 8.30am to 4.00pm Monday to Thursday and 8.30am to 3.30pm on Friday including most break times.

Senior students can access the library to study and read for both Break 1 and Break 2.

Break 1 – Year 9 and 10 students have priority for study and reading.

Break 2 – Year 7 and 8 students have priority for study and reading.

Friday Break 1 the Library is closed.

"Every school needs a school library—it's a no-brainer. Reading underlies every area of the curriculum and the key is having a well stocked school library and a passionate school librarian who can put the right book into the right hands at the right time."

VIOLENCE AGAINST WOMEN  
**LET'S STOP IT AT THE START**

Australian Government

## Free online respect workshop for parents and carers

Do you know what's influencing your kids? With young people spending so much time online, what they see and do can impact their behaviours and beliefs. Online disrespect is one of the ways violence-supportive attitudes can start to develop.

Stop it at the Start has partnered with [Tomorrow Man](#) and [Tomorrow Woman](#) to help parents, carers, and other significant adults of young people aged 10-17 better understand how the online world is influencing their views on respect and gender, and share practical ways they can build relationships and start important conversations.

Join facilitators Ryder Jack and Kasey Miles for a free interactive, evidence-based 90 minute workshop focused on connecting with young people, fostering healthier masculinity, and providing families with practical tools they can use day to day.
